If the change is consistent with the terms of this Franchise, the needs of the City and existing state-of-the-art (or due to regulatory, technical, financial, marketing, inflation or legal requirements) and, in Grantee's sole discretion, implementation of a change would not unreasonably add to the cost of providing Cable Services, Grantee and the City will, in good faith, negotiate the terms of the change and any required amendment to this Franchise. The brief report and Franchise Fee Payment Worksheet attached hereto as Exhibit E shall be submitted to the City with information and statistics for only the System serving the City of Charlottesville and shall not include any statistics which reflect a larger scope of operations that include the County of Albemarle or other similarly situated regions.

C. No acceptance of any payment shall be construed as an accord that the amount paid is in fact the correct amount, nor shall such acceptance of payment be construed as a release of any claim the City may have for further or additional sums payable under the provisions of this Franchise where the City gives the Grantee notice in writing contesting any amount paid within five (5) years of the receipt of the disputed payment. All amounts paid shall be subject to audit and recomputation by the City. To the extent the City hires an independent auditor to verify the accuracy of Grantee's Franchise Fee payments and finds the payments accurate to within three percent (3%) of funds due the City or in all cases in which the discrepancy favors Grantee, the City shall pay the auditor's full costs and expenses. To the extent it is reasonably

necessary for City to send an auditor to a location outside of the City or Albemarle County to inspect Grantee's books and records, Grantee shall be responsible for all travel costs incurred by such auditor. In the event the independent auditor determines that a discrepancy which favors City in excess of three percent (3%) exists, Grantee shall pay the auditor's full costs and expenses. In all cases, Grantee shall promptly pay all outstanding Franchise Fees subject to the terms and conditions of this Franchise.

D. With each Annual Report required pursuant to Section 8.03, Grantee shall provide the City with a certification of the Gross Revenues for the preceding year prepared by a responsible financial representative of the Company. This certification shall be used to determine the exact amount of payments due the City and to correct any overpayments or underpayments by Grantee. This certification shall include statistics for only the System serving the City of Charlottesville and not any statistics which reflect a larger scope of operations that include the County of Albemarle or other similarly situated regions. To the extent it is reasonably necessary for City to send representatives to a location outside of the City or Albemarle County to inspect Grantee's books and records, Grantee shall be responsible for all travel costs incurred by City representatives.

E. In the event any payment is not made on the due date, simple interest on the amount due shall accrue from such date at the annual rate of twelve percent (12%).

#### 10.02 Not Franchise Fees.

A. Unless expressly stated herein, Grantee acknowledges and agrees that no payment or contribution shall offset the Franchise Fee.

B. Grantee expressly acknowledges and agrees that, as applicable, except for the compensation payments expressly required by Section 10.01 hereof, each of the payments or contributions made by, or the Services, equipment, facilities, support, resources, or other activities to be provided by the Grantee, are within the exclusions from the term "Franchise fee" set forth in Section 622(g)(2) of the Cable Act (47 U.S.C. § 542(g)(2)).

C. Grantee expressly acknowledges and agrees that the compensation and other payments to be made pursuant to this Section 10.01 of this Franchise shall not be deemed to be in the nature of a tax, and shall be in addition to any and all taxes of general applicability or other fees or charges which the Grantee shall be required to pay to the City or to any state or federal agency or authority, all of which shall be separate and distinct obligations of the Grantee.

D. Grantee shall not have or make any claim for any deduction or other credit of all or any part of the amount of the compensation or other payments to be made pursuant to this Franchise from or against any City or other governmental taxes of general applicability (including any such tax, fee, or assessment imposed on both utilities and cable operators or their Services but not including a tax, fee, or assessment which is unduly discriminatory against cable operators or cable Subscribers or income taxes) or other fees or charges which the Grantee is required to pay to the City or other governmental agencies.

#### 10.03 Construction Performance Bond.

A. No less than thirty (30) days prior to the start of the rebuild of the Cable System, Grantee shall either notify the City that it has completed construction of the System as designed in this Franchise or file with the City a construction performance bond. The bond shall run to the City in the penal sum of One Hundred Thousand and No/100 Dollars (\$100,000.00). The bond shall be conditioned upon the faithful performance of Grantee of all terms and conditions of the construction as outlined within this Franchise. The rights reserved to the City with respect to the bond or other security shall be in addition to all other rights the City may have under the Franchise or any other law.

B. Following the completion of the construction as determined by the City in accordance with Section 7.03, the requirement to maintain said bond referred to in paragraph (A) above shall be extinguished and the City agrees to sign any documentation provided to it necessary for the release of such bond.

C. The bond shall be subject to the approval of the City and shall contain the following endorsement (or the substantive equivalent of such language as agreed upon by the City):

“It is hereby understood and agreed that this bond may not be cancelled without the consent of the City until sixty (60) days after receipt by the City by registered mail, return receipt requested, of a written notice of intent to cancel or not renew.”

#### 10.04 Security Fund.

A. At the time this Franchise is accepted, Grantee agrees to provide to the City, and maintain through the term of this Franchise, a security fund in the form of a letter of credit established in favor of the City in the amount of Twenty-Five Thousand and No/100 Dollars (\$25,000) for the faithful performance by it of all the provisions of this Franchise and compliance with all orders, permits and directions of the City and the

payment by Grantee of any claim, liens and taxes due the City which arise by reason of the construction, operation or maintenance of the System.

B. Provision shall be made to permit the City to withdraw funds from the security fund. Grantee shall not use the security fund for other purposes and shall not assign, pledge or otherwise use this security fund as security for any purpose. The City reserves the right, in its sole discretion, to reduce the required amount of the security fund.

C. Within thirty (30) days after notice to it that any amount has been withdrawn by the City from the security fund pursuant to (A) of this section, Grantee shall deposit a sum of money sufficient to restore such security fund to the required amount.

D. If Grantee fails to pay to the City any taxes due and unpaid; or fails to repay to the City, any damages, costs or expenses which the City shall be compelled by a court of competent jurisdiction to pay by reason of any act or default of the Grantee in connection with this Franchise; or fails, after thirty (30) days notice of such failure by the City to comply with any provision of the Franchise which the City reasonably determines can be remedied by an expenditure of the security, the City may then seek to withdraw such funds from the security fund.

E. The written instrument evidencing the security fund shall be subject to the approval of the City and shall contain the following endorsement (or the substantive equivalent thereto):

“It is hereby understood and agreed that this letter of credit may not be cancelled by the issuer, nor may the intention not to renew be stated by the issuer, until thirty (30) days after receipt by the City of a written notice stating such intention to cancel or not to renew.”

10.05 Penalties from Security Fund. In addition to any other remedies provided herein, penalties for violations of this Franchise are set forth below. As a result of any acts or omissions by Grantee pursuant to the Franchise, the City may charge to and collect from the security fund the following penalties:

A. For failure to complete or commence the construction in accordance with the Franchise unless the City approves the delay, the penalty shall be Seven Hundred Fifty and No/100 Dollars (\$750.00) per day for each day, or part thereof, such failure occurs or continues.

B. For failure to provide data, documents, reports or relevant information to the City during a renewal process or the System review, the penalty shall be One Hundred Fifty and No/100 Dollars (\$150.00) per day.

C. For failure to comply with any provision of this Franchise, for which a penalty is not otherwise specifically provided, the penalty shall be One Hundred Fifty and No/100 Dollars (\$150.00) per day.

D. For failure to test, analyze and report on the performance of the System following a request by the City, the penalty shall be One Hundred and No/100 Dollars (\$100.00) per day.

E. For failure of Grantee to comply with operation or maintenance standards, the penalty shall be One Hundred and No/100 Dollars (\$100.00) per day.

F. For failure to comply with all conditions of the City permits to disturb Streets, fix Streets, or other terms or conditions of the City, the penalty shall be Two Hundred and No/100 Dollars (\$200.00) per day. This penalty shall be offset by any penalties collected by the City for the violation of any such City Code provisions.

#### 10.06 Procedure for Imposition of Penalties.

A. Whenever the City finds that Grantee has allegedly violated one (1) or more terms, conditions or provisions of this Franchise, a written notice shall be given to Grantee. The written notice shall describe in reasonable detail the alleged violation so as to afford Grantee an opportunity to remedy the violation. Grantee shall have twenty (20) days subsequent to receipt of the notice in which to correct the violation before the City may resort to the security fund. Grantee may, within ten (10) days of receipt of notice, notify the City that there is a dispute as to whether a violation or failure has, in fact, occurred. Such notice by Grantee to the City shall specify with particularity the matters disputed by Grantee and shall stay the running of the above-described time.

1. The City shall hear Grantee's dispute at a regularly or specially scheduled meeting. Grantee shall have the right to subpoena and cross-examine witnesses. The City shall determine if Grantee has committed a violation and shall make written findings of fact relative to its determination. If a violation is found, Grantee may petition for reconsideration.

2. If after hearing the dispute the claim is upheld by the City, Grantee shall have ten (10) days from such a determination to remedy the violation or failure. At any time after that ten (10) day period, the City may draw against the security fund all penalties due it.

3. Upon receipt of written notice from Grantee that the violation has been corrected or remedied, the City's right to draw from the security fund shall be suspended. Following receipt of such notice,

the City shall have the right to conduct an independent investigation of any alleged violations and should it find, in its sole determination, that such violations have not been completely corrected, it shall have the right to draw all appropriate amounts from the security fund plus an additional Five Thousand and No/100 Dollars (\$5,000.00) penalty.

B. The time for Grantee to correct any alleged violation may be extended by the City if the necessary action to correct the alleged violation is of such a nature or character to require more than ten (10) days within which to perform provided Grantee commences the corrective action within the ten (10) day period and thereafter uses reasonable diligence to correct the violation.

C. The security fund deposited pursuant to this section shall become the property of the City in the event that the Franchise is cancelled by reason of the default of Grantee or revoked for cause. Grantee, however, shall be entitled to the return of such security fund, or portion thereof, as remains on deposit at the expiration of the term of the Franchise.

D. The rights reserved to the City with respect to the security fund are in addition to all other rights of the City whether reserved by this Franchise or authorized by law, and no action, proceeding or exercise of a right with respect to such security fund shall affect any other right the City may have.

E. The City shall stay or waive the imposition of any penalties set forth above for any failure or delay that is a result of an act of God or upon a finding that the failure or delay is due to circumstances beyond the reasonable control of Grantee.

#### 10.07 Damages and Defense.

A. Grantee shall indemnify, defend, and hold harmless the City for all damages and penalties, at all times during the term of this Franchise, as a result of the procedures for granting this Franchise or the granting of this Franchise or of Grantee's exercise of this Franchise. These damages and penalties shall include, but shall not be limited to, damages arising out of Personal injury, property damage, copyright infringement, defamation, antitrust, errors and omission, theft, fire, and all other damages arising out of Grantee's exercise of this Franchise, whether or not any act or omission complained of is authorized, allowed or prohibited by this Franchise; such indemnification shall include, but not be limited to, reasonable attorneys' fees and costs.

B. In order for the City to assert its rights to be indemnified, defended, or held harmless, the City must:

1. Promptly notify Grantee of any claim or legal proceeding which gives rise to such right;
2. Afford Grantee the opportunity to participate in and fully control any compromise, settlement or other resolution or disposition of such claim or proceeding; unless, however, the City, in its sole discretion, determines that its interests cannot be represented in good faith by Grantee in which case the Grantee shall be excused from any further obligation to indemnify the City; and
3. Fully cooperate with the reasonable requests of Grantee, at Grantee's expense, in its participation in, and control, compromise, settlement or resolution or other disposition of such claim or proceeding subject to paragraph (2) above.

10.08 Liability Insurance.

A. Grantee shall maintain, throughout the term of the Franchise, liability insurance insuring Grantee and the City with regard to all damages mentioned in paragraph A of Section 10.07 hereof, in the minimum amounts of:

1. Two Million and No/100 Dollars 2,000,000.00) for bodily injury or death to any one (1) Person;
2. Three Million and No/100 Dollars (\$3,000,000.00) for bodily injury or death resulting from any one accident;
3. Three Million and No/100 Dollars (\$3,000,000.00) for all other types of liability.

B. At the time of acceptance, Grantee shall furnish to the City a certificate evidencing that a satisfactory insurance policy has been obtained and naming the City as an additional insured. Said certificate shall be approved by the City and such insurance policy shall require that the City be notified thirty (30) days prior to any expiration or cancellation.

C. All insurance policies maintained pursuant to this Section 10.08 shall contain the following endorsement:

"It is hereby understood and agreed that this insurance policy may not be cancelled by the surety, nor may the intention not to renew be stated by the surety until thirty (30) days after receipt by the City, by registered mail, of a written notice of such intention to cancel or not to renew."

In addition, it shall be the obligation of the Grantee promptly to notify the City of any pending or threatened litigation that would be likely to affect its insurance coverage.

10.09 City's Right to Revoke. In addition to all other rights which the City has pursuant to law or equity, the City reserves the right to revoke, terminate or cancel this Franchise, and all rights and privileges pertaining thereto, in the event that:

- A. Grantee fails to timely complete the upgrade/rebuild of the Cable System in compliance with all applicable terms and conditions of this Franchise.
- B. Grantee breaches any material provision of this Franchise; or
- C. Grantee is adjudicated guilty of practicing fraud or deceit upon the City or any Subscriber; or
- D. Grantee becomes insolvent, unable or unwilling to pay its debts, or is adjudged as bankrupt and the Grantee's creditors or Trustee in Bankruptcy do not agree to fulfill and be bound by all requirements of this Franchise by the City; or
- E. Grantee materially misrepresents a material fact in the application for or negotiation of, or renegotiation of, or renewal of, the Franchise and such misrepresentation was relied upon by the City to its detriment.

10.10 Revocation Procedures. In the event that the City determines that Grantee has violated any provision of the Franchise (including the grounds set forth in Section 10.09 above), or any applicable federal, state or local law, the City may make a written demand on Grantee that it remedy such violation and that continued violation may be cause for revocation. If the violation, breach, failure, refusal, or neglect is not remedied to the satisfaction of the City within thirty (30) days following such demand, or such other period as is reasonable, the City shall determine whether or not such violation, breach, failure, refusal or neglect by Grantee is due to acts of God or other causes which result from circumstances beyond Grantee's control.

- A. A public hearing shall be held and Grantee shall be provided with an opportunity to be heard upon fourteen (14) days' written notice to Grantee of the time and the place of the hearing. The causes for pending revocation and the reasons alleged to constitute such cause shall be recited in the notice. Said notice shall affirmatively recite the causes that need to be shown by the City to support a revocation.
- B. If notice is given and, at Grantee's option, after a full public proceeding is held, the City determines there is a violation, breach, failure, refusal or neglect by Grantee, the City shall direct Grantee to correct or

remedy the same within such reasonable additional time, in such manner and upon such reasonable terms and conditions as City may direct.

C. If after a public hearing it is determined that Grantee's performance of any of the terms, conditions, obligations, or requirements of Franchise was prevented or impaired due to any cause beyond its reasonable control or not reasonably foreseeable, such inability to perform shall be deemed to be excused and no penalties or sanctions shall be imposed as a result thereof, provided Grantee has notified City in writing within thirty (30) days of its discovery of the occurrence of such an event. Such causes beyond Grantee's reasonable control or not reasonably foreseeable shall include, but shall not be limited to, acts of God, civil emergencies and labor strikes.

D. If, after notice is given and, at Grantee's option, a full public proceeding is held, the City determines there was a violation, breach, failure, refusal or neglect, then the City may declare, by resolution, the Franchise revoked and cancelled and of no further force and effect unless there is compliance within such period as City may fix, such period not to be less than thirty (30) days, provided no additional opportunity for compliance need be granted for fraud, or misrepresentation.

E. The issue of revocation shall automatically be placed upon the City Council agenda at the expiration of the time set by it for compliance. The City then may terminate Franchise forthwith upon finding that Grantee has failed to achieve compliance or may further extend the period, in its discretion.

F. If the City, after notice is given and, at Grantee's option, a full public proceeding is held and appeal is exhausted, declares the Franchise breached, the parties may pursue their remedies pursuant to Franchise or any other remedy, legal or equitable.

## **SECTION 11. FORECLOSURE RECEIVERSHIP AND ABANDONMENT.**

11.01 Foreclosure. Upon the foreclosure or other judicial sale of the System, Grantee shall notify the City of such fact and such notification shall be treated as a notification that a change in control of Grantee has taken place, and the provisions of this Franchise governing the consent to transfer or change in ownership shall apply without regard to how such transfer or change in ownership occurred.

11.02 Receivership. The City shall have the right to cancel this Franchise subject to any applicable provisions of state law, including the Bankruptcy Act, one hundred twenty (120) days after the appointment of a receiver or trustee to take over and conduct the business of Grantee, whether in receivership, reorganization, bankruptcy or other action or proceeding, unless such

receivership or trusteeship shall have been vacated prior to the expiration of said one hundred twenty (120) days, or unless:

A. Within one hundred twenty (120) days after his election or appointment, such receiver or trustee shall have fully complied with all the provisions of this Franchise and remedied all defaults thereunder; and

B. Such receiver or trustee, within said one hundred twenty (120) days, shall have executed an agreement, duly approved by the Court having jurisdiction in the premises, whereby such receiver or trustee assumes and agrees to be bound by each and every provision of this Franchise.

11.03 Abandonment. Grantee may not abandon any portion of the System thereof without having first given three (3) months written notice to the City. Grantee may not abandon any portion of the System without compensating the City for damages actually sustained by the City resulting from the abandonment.

## **SECTION 12. REMOVAL, TRANSFER AND PURCHASE.**

### **12.01 Removal After Revocation or Expiration.**

A. At the expiration of the present and all subsequent renewal terms for which the Franchise is granted, or upon its revocation, as provided for, the City shall have the right to require Grantee to remove, at Grantee's expense, all or any portion of the System from all Streets and Public Property within the City. In so removing the System, Grantee shall refill and compact at its own expense, any excavation that shall be made and shall leave all Streets, Public Property and private property in as good a condition as that prevailing prior to Grantee's removal of the System, and without affecting, altering or disturbing in any way electric, telephone or utility, cables wires or attachments. The City, or its delegation, shall have the right to inspect and approve the condition of such Streets and Public Property after removal. The security fund, insurance, indemnity and penalty provision of the Franchise shall remain in full force and effect during the entire term of removal.

B. If, in the sole discretion of the City, Grantee has failed to commence removal of the System, or such part thereof as was designated within thirty (30) days after written notice of the City's demand for removal is given, or if Grantee has failed to complete such removal within one (1) year after written notice of the City's demand for removal is given, the City shall have the right to exercise one of the following options:

1. Declare all right, title and interest to the System to be in the City or its delegator with all rights of ownership including, but not limited to, the right to operate the System or transfer the System to another for operation by it; or

2. Cause the System, or such part thereof as the City shall designate, to be removed at no cost to the City. The cost of said removal shall be recoverable from the security fund, indemnity and penalty section provided for in the Franchise, or from Grantee directly.

#### 12.02 Sale or Transfer of Franchise.

A. This Franchise shall not be sold, assigned or transferred, either in whole or in part, or leased or sublet in any manner, nor shall title thereto, either legal or equitable, or any right, interest or property therein, pass to or vest in any Person without full compliance with the procedure set forth in this section.

B. The provisions of this section shall only apply to the sale or transfer of all or a majority of Grantee's assets, merger (including any parent and its subsidiary corporation), consolidation, or sale or transfer of stock in Grantee so as to create a new controlling interest. The term "controlling interest" as used herein is not limited to majority stock ownership, but includes actual working control in whatever manner exercised. The parties to the sale or transfer shall make a written request to the City for its approval of a sale or transfer. The City shall then make a determination pursuant to this Franchise as to the exercise of its first right of refusal to purchase the System.

C. In reviewing a request for sale or transfer pursuant to paragraph (A) above, the City may inquire into the legal, technical and financial and any other legally permissible qualifications of the prospective controlling party, and Grantee shall assist the City in so inquiring. The City shall not unreasonably delay or withhold its approval. In no event shall a transfer or assignment of ownership or control be approved without the transferee becoming a signator to this Franchise. For purposes of this Section 12.02, no assignment, transfer, or sale shall occur when the Franchise is transferred or sold to a company owned, managed, or controlled by fifty-one percent (51%) of the stock of Adelpia Communications Corporation, or any of its subsidiaries, or the assets or stock of the company are transferred to a financial institution as security for refinancing purposes.

D. The City hereby reserves all rights under Applicable Laws to seek reimbursement of reasonable costs and expenses incurred (including, but not limited to, attorneys and other consultants) in connection with any sale or transfer of the System and/or Franchise. Such reimbursements, if found to be consistent with Applicable Law, shall not be deemed to be "Franchise Fees" within the meaning of the Cable Act (47 U.S.C. § 542). Grantee also hereby reserves its rights under Applicable Laws with respect to this issue.

E. In the event of a transfer, the City reserves the right to require a Corporate Guarantee in the form of Exhibit F upon a subsequent grantee.

12.03 City's Right to Purchase System. The City shall be entitled to a right of first refusal of any bona fide offer to purchase the System made to Grantee. Bona fide offer, as used in this section, means a written offer which has been accepted by Grantee subject to the City's rights under this Franchise. The price to be paid by the City shall be the bona fide offer including the same terms and conditions as the bona fide offer. The City shall notify Grantee of its decision to purchase within sixty (60) days of the City's receipt from Grantee of a copy of the written bona fide offer.

12.04 Purchase By City Upon Expiration or Revocation.

A. At the expiration of this Franchise, in the event that the City validly denies the renewal of this Franchise, the City may, in lawful manner and upon the payment of fair market value, determined on the basis of the System as valued as a going concern exclusive of any value attributable to the Franchise itself, lawfully obtain, purchase, condemn, acquire, take over and hold the System.

B. Upon the revocation of this Franchise, the City may in lawful manner and upon the payment of an equitable price lawfully obtain, purchase, condemn, acquire, take over and hold the System.

C. Despite anything to the contrary elsewhere in this Franchise, nothing in this Franchise shall prevent Grantee from exercising its rights under applicable federal and state law from attempting to prevent condemnation or acquisition of the System pursuant to this section and from seeking any appropriate judicial relief, either against the City or any individuals should an improper acquisition have taken place.

Grantee shall also conform with all the generally applicable City ordinances, resolutions, rules and regulations heretofore or hereafter adopted or established during the entire term of the Franchise. Grantee reserves its rights under Applicable Laws to challenge the validity of any ordinance, resolution and regulation in a court of competent jurisdiction.

14.02 Franchise Renewal. This Franchise may be renewed in accordance with Applicable Laws.

14.03 Continuity of Service Mandatory. Upon expiration or the termination of this Franchise, the City may require Grantee to continue to operate the System for an extended period of time not to exceed six (6) months. Grantee shall, as trustee for its successor in interest, continue to operate the System under the terms and conditions of this Franchise. In the event Grantee does not so operate the System, the City may take such steps as it, in its sole discretion, deems necessary to assure continued Service to Subscribers.

14.04 Work Performed by Other.

A. Grantee shall give notice to the City specifying the names and addresses of any other entity, other than Grantee, which performs the following Services pursuant to this Franchise:

1. Construction

B. All provisions of this Franchise shall remain the responsibility of Grantee, and Grantee shall be responsible for and hold the City harmless for any claims or liability arising out of work performed by Persons other than the Grantee.

C. All provisions of this Franchise shall apply to any subcontractor or others performing any work or Services pursuant to the provisions of this Franchise.

#### 14.05 Compliance with Federal State and Local Laws.

C. Notwithstanding anything to the contrary, in the event that any court, agency, commission, legislative body or other authority of competent jurisdiction (i) declares Sections 6.05, 6.06 or 10.01 invalid, in whole or in part, or (ii) requires Grantee either to (a) perform any act which is inconsistent with any of the said sections or (b) cease performing any act required by said sections, Grantee shall immediately notify the City. Such notice shall state whether Grantee intends to exercise its rights pursuant to such declaration or requirement.

14.06 Nonenforcement by City. Grantee shall not be relieved of its obligation to comply with any of the provisions of this Franchise by reason of any failure of the City or to enforce prompt compliance within a reasonable period of time not to exceed five (5) years.

14.07 Administration of Franchise.

A. The City shall have continuing regulatory jurisdiction and supervision over the System and the Grantee's operation under the Franchise. The City may issue such reasonable rules and regulations concerning the construction, operation and maintenance of the System as are consistent with the provisions of the Franchise.

B. Grantee shall construct, operate and maintain the System subject to the supervision of all the authorities of the City who have jurisdiction in such matters and in strict compliance with all laws, ordinances, departmental rules and regulations affecting the System.

C. The System and all parts thereof shall be subject to the right of periodic inspection by the City provided that such inspection shall not interfere with the operation of the System and such inspections take place during Normal Business Hours.

14.08 Miscellaneous Violations.

A. From and after the acceptance of the Franchise, it shall be unlawful for any Person to establish, operate or to carry on the business of distributing to any Persons in the City any television signals or radio signals by means of a System using public right of ways unless a Franchise therefor has first been obtained pursuant to the provisions of an ordinance, and unless such Franchise is in full force and effect.

B. From and after the acceptance of the Franchise, it shall be unlawful for any Person to construct, install or maintain within any Street in the City, or within any other Public Property of the City, or within any privately owned area within the City which has not yet become a public Street but is designated or delineated as a proposed public Street on any tentative subdivision map approved by the City, or the City's official map or the City's major thoroughfare plan, any equipment or facilities for distributing any television signals or radio signals through a System, unless a Franchise authorizing such use of such Street or property or areas has first been obtained.

14.09 Emergency Use. In the case of any emergency or disaster, Grantee shall make available to the City its System and related facilities to the City for emergency use during the emergency or disaster period.

14.10 Construction. This Franchise shall be construed and enforced in accordance with the substantive laws of the State of Virginia and without reference to its principals of conflicts of law.

14.11 Captions. The paragraph captions and headings in this Franchise are for convenience and reference purposes only and shall not affect in any way the meaning of interpretation of this Franchise.

14.12 Calculation of Time. Where the performance or doing of any act, duty, matter, payment or thing is required hereunder and the period of time or duration for the performance or during thereof is prescribed and fixed herein, the time shall be computed so as to exclude the first and include the last day of the prescribed or fixed period or duration of time. When the last day of the period falls on Saturday, Sunday or a legal holiday, that day shall be omitted from the computation.

14.13 Time of Essence; Maintenance of Records of Essence. Unless specifically referenced herein, in determining whether Grantee has substantially complied with this Franchise, the parties agree that time is of the essence to this Franchise. As a result, Grantee's failure to complete construction, extend service, seek approval of transfer, or provide information in a timely manner constitute material breaches. The maintenance of records and provision of reports in accordance with the Franchise is also of the essence to this Franchise.

14.14 Disputes Between Parties. In the event a dispute arises between the City and Grantee before any court of competent jurisdiction, the party which substantially prevails shall have its reasonable legal costs and expenses, including reasonable attorneys' fees, paid for by the losing party.

## EXHIBIT A

### CONSTRUCTION TERMS, SCHEDULE, AND SEQUENCE

#### I. CONSTRUCTION TERMS

##### A. Location of Cable

The Grantee shall install all underground cables and wires in a manner consistent with good engineering practices and the facilities of the City.

##### B. Specific Terms

1. As provided in this Franchise, the Grantee shall comply with all applicable federal, state, and City laws, rules, regulations, codes, including, but not limited to, the provisions of the National Electrical Code (NEC) and National Electrical Safety Code (NESC) and other requirements in connection with the construction of the System.

2. The Installation of all cables, wires, or other component parts of the System on City property shall be undertaken in a manner which does not interfere with the operation of any existing MATV, SMATV, MDS, DBS, or other distribution System on said property, including any conduit used in connection with such other System.

3. The Grantee must comply with, and shall ensure that its subcontractors comply with, all rules, regulations, and standards of the City and this Franchise. If the Installation, construction, or operation of the System does not comply with such rules, regulations, and standards, the Grantee must, at its sole cost, remove and reinstall such cables, wires, or other component parts of the System to ensure compliance with such rules, regulations, and standards.

4. In the course of implementing the system upgrade/rebuild, Grantee shall be permitted to reuse cable that are already in place within the City limits, provided that sweep frequency test results of each completed System segment are demonstrated to not exceed a  $\pm 2.5$  dB worst case headend to end-of-line peak to valley criterion. All testing shall be conducted by Grantee with a copy of the test results provided to the City at no cost to the City.

5. When complete, the upgraded/rebuilt System shall employ no greater than seven (7) amplification devices (including the node) between any Subscribers' connection point to the System and the point where Grantee receives its off-air, microwave-relayed and/or satellite-based signals. Fiber optic trunk facilities using no intermediate amplification or regeneration points shall be installed between Grantee's headend/hub site serving the City and all of its satellite, off-air broadcast and microwave reception facilities.

6. Grantee shall use its best efforts to minimize Service interruptions during the rebuild period.

## II. CONSTRUCTION OF SYSTEM UPGRADE/REBUILD

The Grantee must submit a construction schedule and specific construction sequencing plans for the system upgrade/rebuild accompanied by a separate map showing: (a) the location of the master headend, all subheadends/hubs, headend to hub interconnect network, fiber backbone, and all studio facilities within the System; and (b) the proposed distribution of all principal trunk and feeder lines throughout the System (including termination points of all lines). All such construction schedules shall be fully justified on the basis of factors which will affect construction in the City, and the Grantee should set out any factors which may adversely affect its ability to meet the schedules. The Grantee must submit an updated construction schedule to the City on a quarterly basis until the completion of the system upgrade/rebuild. The system upgrade/rebuild shall be completed as set forth in Section 7.01, unless the schedule for completion is amended in accordance with the terms of this Franchise.

No less than thirty (30) days prior to completion of the system upgrade/rebuild, the Grantee shall notify the City that a system upgrade/rebuild is substantially complete. The City and the Grantee shall arrange for, and Grantee shall cooperate fully in support of, such inspections as the City shall deem appropriate, pursuant to Section 7.03, to enable the City to ascertain whether the system upgrade/rebuild has been completed as scheduled. At the City's discretion, such inspection may pertain to: physical plant installation; optical, RF, analog, digital or other distribution system performance and other elements. The City shall accept the completion of the system upgrade/rebuild upon the City's satisfaction that the obligations of the Grantee to complete the system upgrade/rebuild have been fulfilled in all respects.

Upon completion of the system upgrade/rebuild, the Grantee shall be capable of providing the upgraded Service to every area in the City.

## III. MODIFICATIONS AND AMENDMENTS

Except to the extent allowed under federal, state or local law, this Exhibit A may not be modified or amended without prior written approval of both parties, provided that the City may, upon petition of the Grantee, amend or grant other appropriate relief from the construction terms set forth in Section I of this Exhibit A, and the plan(s) for the sequence of construction as described in Section II of this Exhibit A.

### CODE OF FEDERAL REGULATIONS SECTION 76.605

#### § 76.605 Technical Standards.

(a) As of six (6) months and ninety (90) days following publication in the Federal Register], unless otherwise noted, the following requirements apply to the performance of a Cable System as measured at any Subscriber terminal with a matched impedance at the termination point or at the output of the modulating or processing equipment (generally the headend) of the Cable System or otherwise as noted. The requirements are applicable to each NTSC or similar video downstream cable television Channel in the System:

(1) The cable television channels delivered to the Subscriber's terminal shall be capable of being received and displayed by TV broadcast receivers used for the off-the-air reception of TV broadcast signals, as authorized under Part 73 of this chapter.

(2) The aural center frequency of the aural carrier must be  $4.5 \text{ MHz} \pm 5 \text{ kHz}$  above the frequency of the visual carrier at the output of the modulating or processing equipment of a Cable System, and at the Subscriber terminal.

(3) The visual signal level, across a terminating impedance which correctly matches the internal impedance of the Cable System as viewed from the Subscriber terminal, shall not be less than 1 millivolt across an internal impedance of 75 ohms (0 dBmV). Additionally, as measured at the end of a 100-foot cable Drop that is connected to the Subscriber tap, it shall not be less than 1.41 millivolts across an internal impedance of 75 ohms (+3 dBmV). (At other impedance values, the minimum visual signal level, as viewed from the Subscriber terminal, shall be the square root of  $0.0133(Z)$  millivolts and, as measured at the end of a 100-foot cable Drop that is connected to the Subscriber tap, shall be two times the square root of  $0.00662(Z)$  millivolts, where  $Z$  is the appropriate impedance value.)

(4) The visual signals level on each Channel shall not vary more than 8 decibels within any six-month interval which must include four tests performed in six-hour increments during a 29-hour period in July or August and a 24-hour period in January or February, and shall be maintained within:

(i) 3 decibels (dB) of the visual signal level of any visual carrier within a 6 MHz nominal frequency separation;

(ii) 10 dB of the visual signal level on any other Channel on a Cable System of up to 300 MHz of cable distribution System upper frequency limit, with a 1 dB increase for each additional 100 MHz of cable distribution System upper frequency limit (eg. 11 dB for a System at 301-400 MHz; 12 dB for a System at 401-500 MHz, etc.); and

(iii) A maximum level such that signal degradation due to overload in the Subscriber's receiver or terminal does not occur.

(5) The rms voltage of the aural signal shall be maintained between 10 and 17 decibels below the associated visual signal level, and shall be maintained at levels not to cause interference to the upper adjacent Channel. This requirement must be met both at the Subscriber terminal and at the output of the modulating and processing equipment (generally the headend).

(6) The amplitude characteristic shall be within a range of  $\pm$  decibels from 0.75 MHz to 5.0 MHz above the lower boundary frequency of the cable television Channel, referenced to the average of the highest and lowest amplitudes within these frequency boundaries.

(7) The ratio of RF visual signal level to System noise shall be as follows:

(i) From [90 days following publication in the Federal Register to 1 year thereafter], shall not be less than 36 decibels.

(ii) From [1 year and 90 days following publication in the Federal Register to 2 years thereafter], shall not be less than 40 decibels.

(iii) As of [3 years and 90 days following publication in the Federal Register], shall not be less than 43 decibels.

(iv) For class I cable television channels, the requirements of paragraphs (a)(7)(i), (a)(7)(ii), and (a)(7)(iii) of this section are applicable only to:

(a) Each signal which is delivered by a Cable System to Subscribers within the predicted Grade B contour for that signal;

(b) Each signal which is first picked up within its predicted Grade B contour;

(c) Each signal that is first received by the Cable System by direct video feed from a TV broadcast station, a low power TV station, or a TV translator station.

(8) The ratio of visual signal level to the rms amplitude of any coherent disturbances such as intermodulation products, second and third order distortions, or discrete-frequency interfering signals not operating on proper offset assignments shall be as follows:

(i) The ratio of visual signal level to coherent disturbances shall not be less than 51 decibels for noncoherent Channel cable television systems, when measured with modulated carriers and time averaged; and

(ii) The ratio of visual signal level to coherent disturbances which are frequency-coincident with the visual carrier shall not be less than 47 decibels for coherent Channel Cable Systems, when measured with modulated carriers and time averaged.

(9) The terminal isolation provided to each Subscriber terminal;

(i) Shall not be less than 18 decibels. In lieu of periodic testing, the cable operator may use specifications provided by the manufacturer for the terminal isolation equipment to meet this standard; and

(ii) Shall be sufficient to prevent reflections caused by open-circuited or short-circuited Subscriber terminals from producing visible picture impairments at any other Subscriber terminal.

(10) The peak-to-peak variation in visual signal level caused by undesired low frequency disturbances (hum or repetitive transients) generated within the System, or by inadequate low frequency response, shall not exceed 3 percent of the visual signal level.

As of [3 years and 90 days following publication in the Federal Register], the following requirements apply to the performance of the Cable System as measured at the output of the modulating or processing equipment (generally the headend) of the System:

(11) The chrominance-luminance delay inequality of chrome delay, which is the change in delay time of the chrominance component of the signal relative to the luminance component after passing through the System, shall be within 170 nanoseconds.

(12) The differential gain for the color subcarrier of the television signals, which is measured as the different in amplitude between the largest and smallest segments of the chrominance signal (divided by the largest and expressed in percent), shall not exceed  $\pm 20\%$ .

(13) The differential phase of the color subcarrier of the television signal which is measured as the largest phase difference in degrees between each segment of the chrominance signal and reference segment (the segment at the blanking level of 0 IRE), shall not exceed  $\pm 10$  degrees.

(14) As an exception to the general provision requiring measurements to be made at Subscriber terminals, and without regard to the type of signals carried by the Cable System, signal leakage from a Cable System shall be measured in accordance with the procedures outline in § 76.609(h) and shall be limited as follows:

<b>Frequencies</b>	<b>Signal Leakage Limit (microvolts/meter)</b>	<b>Distance in meters (m)</b>
Less than and including 54 MHz and over 216 MHz	15	30
Over 54, up to and including 216 MHz	20	3

(b) Cable television systems distributing signals by using methods such as nonconventional coaxial cable techniques, noncoaxial copper cable techniques, specialized coaxial cable and fiber optical cable hybridization techniques, or specialized compression techniques or specialized receiving devices, and which, because of their basic design, cannot comply with one or more of the technical standards set forth in paragraph (a) of this section, may be permitted to operate: Provided, that an adequate showing is made pursuant to § 76.7 which establishes that the public interest is benefited. In such instances, the Commission may prescribe special technical requirements to ensure that Subscribers to such systems are provided with an equivalent level of good quality Service.

Note 1: Local franchising authorities of systems serving fewer than 1,000 Subscribers may adopt standards less stringent than those in § 76.605(a). Any such agreement shall be reduced to writing and be associated with the System's proof-of-performance records.

Note 2: For systems serving rural areas as defined in § 76.5, the System's local franchising authority may adopt standards less stringent than those in §§ 76.605(a)(3), 76.605(a)(7), 76.605(a)(8), 76.605(a)(10), 76.605(a)(11), 76.605(a)(12), and 76.605(a)(13). Any such agreement shall be reduced to writing and be associated with the System's proof-of-performance records.

#### WITNESSETH

WHEREAS, the Franchising Authority has entered into a Cable Television Franchise Ordinance dated \_\_\_\_\_, 200\_\_ with the Company pursuant to Ordinance No. \_\_\_\_\_ (“Franchise Agreement”), pursuant to which the Franchising Authority has granted the Company a Franchise, to own, operate, and maintain a Cable System (“System”); and

WHEREAS, Guarantor is the parent company of the Company and has a substantial interest in the System and the conduct of the Company in complying with the Franchise Agreement and any and all amendments thereof and any agreements related thereto, which Franchise Agreement and amendments are hereby specifically referred to, incorporated herein, and made a part hereof;

WHEREAS, Section 10.04 of the Franchise Agreement requires the Company, as principal, to furnish a Fifty Thousand and No/100 Dollars (\$50,000) letter of credit to ensure the faithful payment and performance of the Company’s obligations under the Franchise Agreement; and

WHEREAS, the Guarantor desires to provide its unconditional guaranty as part of such security fund.

NOW, THEREFORE, in consideration of the foregoing premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Guarantor hereby unconditionally guarantees the due and punctual payment and performance of all of the debts, liabilities and obligations of Company contained in the Franchise Agreement (“Indebtedness”).

This Agreement, unless terminated, substituted, or canceled, as provided herein, shall remain in full force and effect for the duration of the term of the Franchise Agreement, except as expressly provided otherwise in the Franchise Agreement.

Upon substitution of another Guarantor reasonably satisfactory to the Franchising Authority, this Agreement may be terminated, substituted, or canceled upon thirty (30) days prior written notice from Guarantor to the Franchising Authority and the Company.

Such termination shall not affect liability incurred or accrued under this Agreement prior to the effective date of such termination or cancellation.

The Guarantor will not exercise or enforce any right of contribution, reimbursement, recourse or subrogation available to the Guarantor against the Company or any other Person liable for payment of the Indebtedness any collateral security therefor, unless and until all of the Indebtedness shall have been fully paid and discharged.

The Guarantor will pay or reimburse the Franchising Authority for all costs and expenses (including reasonable attorneys' fees and legal expenses) incurred by the Franchising Authority in connection with the protection, defense or enforcement of this guarantee in any arbitration, litigation or bankruptcy or insolvency proceedings.

Whether or not any existing relationship between the Guarantor and the Company has been changed or ended and whether or not this guarantee has been revoked, the Franchising Authority may, but shall not be obligated to, enter into transactions resulting in the creation or continuance of Indebtedness, without any consent or approval by the Guarantor and without any notice to the Guarantor. The liability of the Guarantor shall not be affected or impaired by any of the following acts or things (which the Franchising Authority is expressly authorized to do, omit or suffer from time to time, without notice to or approval by the Guarantor): (i) any acceptance of collateral security, guarantors, accommodation parties or sureties for any or all Indebtedness; (ii) any one or more extensions or renewals of Indebtedness (whether or not for longer than the original period) or any modification of the interest rates, maturities or other contractual terms applicable to any Indebtedness; (iii) any waiver or indulgence granted to the Company, any delay or lack of diligence in the enforcement of any Indebtedness, or any failure to institute proceedings, file a claim, give any required notices or otherwise protect any Indebtedness; (iv) any full or partial release of, settlement with, or agreement not to sue, the Company or any other guarantor or other Person liable in respect of any Indebtedness; (v) any discharge of any evidence of Indebtedness or the acceptance of any instrument in renewal thereof or substitution therefor; (vi) any failure to obtain collateral security (including rights of setoff) for Indebtedness, or to see to the proper or sufficient creation and perfection thereof, or to establish the priority thereof, or to protect, insure, or enforce any collateral security; or any modification, substitution, discharge, impairment, or loss of any collateral security; (vii) any foreclosure or enforcement of any collateral security; (viii) any transfer of any Indebtedness or any evidence thereof; (ix) any order of application of any payments or credits upon Indebtedness; (x) any election by the Franchising Authority under § 1111(b)(2) of the United States Bankruptcy Code.

The Guarantor waives presentment, demand for payment, notice of dishonor or nonpayment, and protest of any instrument evidencing Indebtedness. The Franchising Authority shall not be required first to resort for payment of the Indebtedness to the Company or other Persons or their properties, or first to enforce, realize upon or exhaust any collateral security for Indebtedness, before enforcing this guaranty. The Guarantor will not assert, plead or enforce against the Franchising Authority any

defense of discharge in bankruptcy of the Company, statute of frauds, or unenforceability of the Guaranty which may be available to the Company or any other Person liable in respect of any Indebtedness, or any setoff available against the Franchising Authority to the Company or any such other Person, whether or not on account of a related transaction.

Any notices given pursuant to this Agreement shall be addressed to the Guarantor and Company at \_\_\_\_\_ and to the Franchising Authority, Mayor and Members of the City Council, City of Charlottesville, 605 Main Street, Charlottesville, Virginia 22902.
