Re: *Pieron v. Lunsford*

Dear Matthew:

Enclosed please find documents responsive to the FOIA request underlying the above matter. The total time to gather the information was slightly less than the last estimate provided by Denise Lunsford ("Ms. Lunsford"), however, her work on pending cases and the upcoming transition have made this reply later than she would have hoped.

#### General Information

It is my understanding that: (1) there are no responsive records contained in personal email accounts or text messages; and (2) very few documents provided have been redacted to protect information concerning a specific witness or to remove her personal cell phone number.

#### Responses

1. Responsive documents maintained by the Albemarle County Commonwealth's Attorney's Office are provided.

6. Responsive documents within the time frame of February 1, 2012, to August 1, 2013, are provided. The time frame set forth in the letter from Matthew D. Hardin dated October 27, 2015, was confusing and appeared to include the time frames for requests 8 and 9.

10. Documents responsive to this request are criminal investigative files within the meaning of Virginia Code § 2.2-3706A(2)(a) and pursuant to Ms. Lunsford's discretion she declines to provide all of the emails that are responsive. It is my understanding that approximately 513 emails are withheld as criminal investigative files. Notwithstanding the foregoing and pursuant to Ms. Lunsford's discretion, responsive documents which were intended for, sent to or received from attorneys for Mark Lawrence Weiner are provided.
