K/1 Supply List 2018 – 2019

Please DO NOT put your child's name on anything. We share everything.

Dear Families:

After evaluating the cost of past school supplies lists, we have decided to take a different approach this year. Instead of the traditional supply list, we would instead like to collect a supplies fee. We found that previous year's kindergarten and first grade lists cost around forty to fifty dollars. However, through the school, we can buy supplies for a cheaper price in bulk. To save you time and money, and to assure all students have the specific supplies they need, we are encouraging a check of \$30.00 instead of sending in supplies. We hope that this change will be easier for you and will allow us to shop for supplies as needed throughout the year. If you choose to have us do your shopping, please send \$30.00 with your kids on the first day of school. Your check should be made out to Woodbrook Elementary School. Of course, if this change does not suit your family and you enjoy shopping for school supplies with your children, please purchase the following items below.
