Our Vision: Our learners are engaged in authentic, challenging, and relevant learning experiences, becoming lifelong contributors and leaders in our dynamic and diverse society.

Our Mission: Working together as a team, we will end the predictive value of race, class, gender, and special capacities for our children's success through high-quality teaching and learning for all. We seek to build relationships with families and communities to ensure that every student succeeds. We will know every student.

Our Values: ▶ Equity: We will provide every student with the level of support necessary to thrive. ▶ Excellence: We will mitigate barriers and provide opportunities for every student to be academically successful. ▶ Family and Community: We will engage with and share the responsibility for student success with families and community partners. ▶ Wellness: We will support the physical and emotional health of our students and staff.
